All development and driveway construction must be completed in accordance with the Regulations of Harris County, Texas for Flood Plain Management (Adopted 8-28-97) and the Regulations of Harris County for the Construction of Driveways and/or Culverts on County Easements and Rights of Way. This application is valid only for property located in the Unincorporated Areas of Harris County, Texas. The Owner hereby acknowledges and agrees to be strictly bound to Commissioners' Court of Harris County in ensuring that all provisions, conditions and requirements attached to the issuance of the development permit(s) under the Regulations of Harris County, Texas for Flood Plain Management and driveway permit(s) under the Regulations of Harris County for the Construction of Driveways and/or Culverts on County Easements and Rights of Way will be faithfully and fully complied with.

The Owner understands and agrees that the County Engineer may make scheduled or unscheduled inspections of the property upon the issuance of the permit. The Owner acknowledges that the driveway construction must be inspected before the concrete is poured and after it is finished. The Owner is aware that pursuant to Chapter 352 of the Texas Local Government Code, the County Fire Marshal may, in the interests of safety and fire prevention, inspect certain structures for fire hazards. If the Owner is a corporation, partnership or other legal entity other than a natural person, then the undersigned acting as the authorized representative of said entity will be responsible for ensuring the entity's compliance with all provisions, conditions and requirements of the development and driveway permit.

_____ (Initials Required) The owner acknowledges that fill placed on subject land is in such manner so as not to flood or otherwise damage any land adjoining or near the land in which the fill is placed. The owner further acknowledges that he or she has read Section 11.086 of the Texas Water Code Annotated and is familiar with the provisions of said statute.
