

## CODE WORD

This procedure is used to clarify provisions of the Harris County Fire Code. It's sole intent is to clarify what is acceptable practice.

**Issue Date:** March 1, 2007

**Subject:** *Express Fire Code Review*

**Question:** What is an **Express Fire Code Review** and what types of projects are eligible for this review ?

**Answer:** Projects of the following classifications will be permitted using our **Express Fire Code Review** and will receive a **"Certificate of Compliance Inspection."**

**5,000 square feet and under:**

**B** – Business, including but not limited to:

Restaurants seating less than 50 occupants

Temporary sales trailers

Festival tents and trailers

Portable Food Service Units

**S2-** Low-Hazard storage

**F2-** Factory Industrial, Low-Hazard

**M-** Mercantile 3,000 sq. ft. or under

Drawings by a design professional are not required and the inspection may be requested by permittee. The County Building Official may, upon review, require full Fire Code Review of any project.
