

CODE WORD

This procedure is used to clarify provisions of the Harris County Fire Code. It's sole intent is to clarify what is acceptable practice.

Issue Date: Revised March 1, 2007

Subject: *Temporary Construction Trailers*

Question: Are temporary construction trailers required to get a Fire Code permit?

Answer: Temporary construction trailers not mounted on a permanent foundation are **exempt** from a Fire Code review and inspection. Temporary in this context means only for the duration of the project, and the construction trailer must be removed once the project is completed.
