The permit applicant understands and agrees the County Engineer may make scheduled or unscheduled inspections of the property upon the issuance of the permit. The applicant is aware that pursuant to Chapter 352 of the Texas Local Government Code, the County Fire Marshal may, in the interest of safety and fire prevention, inspect certain structures for fire hazards. If the permit applicant is a corporation, partnership or other legal entity other than a natural person, then the undersigned acting as the authorized representative of said entity will be responsible for ensuring the entity's compliance with all provisions. The undersigned has carefully reviewed this application and the answers to all questions. To the best of my knowledge, the answers are all true and correct.
