QUANTITY

Total Allowable Number of On-Premise Signs:

Sec.4611 (a) Total Allowable Number of On-Premise Signs.

1. No business shall have more than a total of five on-premise signs, provided, however, that each business may select any combination of the signs described below in this subsection to reach that total:
 - A. Each business shall place no more than one on-premise ground sign, projecting sign, fence sign or flag sign per frontage. However, if a business has more than 350 feet of frontage, two on-premise ground signs, projecting signs, fence signs, flag signs or a combination of these signs that totals two, will be allowed along the minimum 350 foot frontage; provided, however, that the two signs are spaced a minimum of 350 feet apart as measured parallel to the frontage. The total number of signs from all of the foregoing sign classifications shall not exceed two in number for each business.
 - B. Each business shall place no more than four on-premise roof signs, wall signs, or combination of roof and wall signs.
 - C. Roof signs, designed to be architecturally compatible with the total wall surface. Wall signs shall not extend above the roofline of the building to which they are attached.
 - D. On-premise projecting signs, which shall not extend above the uppermost portion of the building to which they are attached except as provided in Section 4609 (m) (5) herein.
 - E. Each business shall place no more than three on-premise marquee signs.
