October 31, 2011

**SUBJECT: Plan Review Receiving/Pick up Area Changed**

We are proud to announce that as of October 31, 2011, you may now take care of all your plan review/permitting needs in one convenient location. We have consolidated plan submittal and pick up for all unincorporated Harris County development to 10555 Northwest Freeway, Suite 120, with our Cashier's office. Commercial, Residential, Fire Code, Express Fire Code, Fire Protection, and Right of Way Notification, business may now be conducted at this one location. Suite 100, lobby will now serve as a reception area for customer consultations and meetings.

Flood control (Suite 170) will continue to receive plans for watershed development not in unincorporated Harris County and those requiring flood control impact fees.

Sincerely,

Joshua Stuckey, RS, CFM  
Manager of Permits
