All development and driveway construction must be completed in accordance with the Regulations of Harris County, Texas for Flood Plain Management (Adopted 8-28-97) and the Regulations of Harris County for the Construction of Driveways and/or Culverts on County Easements and Rights of Way. This application is valid only for property located in the Unincorporated Areas of Harris County, Texas.

The Applicant hereby acknowledges and agrees to be strictly bound to Commissioners' Court of Harris County in ensuring that all provisions, conditions and requirements attached to the issuance of the development permit(s) under the Regulations of Harris County, Texas for Flood Plain Management and driveway(s) permit(s) under the Regulations of Harris County for the Construction of Driveways and/or Culverts on County Easements and Rights of Way will be faithfully and fully complied with.

The permit applicant understands and agrees that the County Engineer may make scheduled or unscheduled inspections of the property upon the issuance of the permit. The applicant acknowledges that the driveway construction must be inspected before the concrete is poured and after it is finished. If the permit applicant is a corporation, partnership or other legal entity other than a natural person, then the undersigned acting as the authorized representative of said entity will be responsible for ensuring the entity's compliance with all provisions, conditions and requirements of the development and driveway permit.

I, the undersigned have carefully reviewed this application and my answers to all questions. To the best of my knowledge, the answers are all true and correct.
